HULSE - CONOVER - RUSSELL-VAIL. Can anyone explain or correct the following copied from Vail manuscript deposited at the N. Y. Genea. and B. Soc.? William Hulse and Alchy Conover (b. Monmouth county, N. J., Aug. 18, 1795) had a son David Hulse, m. near Middletown, Ohio, Jan. 22, 1824, Rebecca Russell, dau. of George Russell and Mary Vail (b. May 13, 1807). They had seven chld., one named Garret Conover Hulse. It would seem that the date following Alchy Conover might refer to her mar. rather than her birth.
